

Job description

4U Home Health is a local company, started by local residents, looking to provide home healthcare services to the local community. We are looking for a Clinical Supervisor (Nursing Supervisor) that will work with our small team to help advance the company. Working in a small business means your voice will be heard and your input will be recognized.

Essential Duties of Clinical Supervisor / Nursing Supervisor:

- Participating in the Quality Assurance and Quality Improvement plan.
- Preparing accurate, orderly, and timely reports and documentation.
- Adheres to all practice standards as they apply to patient care.
- Rendering nursing care and performing treatments and medication administration as ordered by the physician if needed
- Communicate daily with team leader any patient needs or problems.

Qualifications of Clinical Supervisor / Nursing Supervisor:

- Licensed Registered Nurse (RN) in the State of Indiana
- Minimum 1 year supervisory experience in healthcare
- Minimum 2 year nursing experience
- Home health experience highly preferred
- Ability to pass background checks
- Valid driver's license
- Computer literate
- Excellent writing and charting skills
- Excellent communication and time management skills
- Methodical and tidy work habits
