Note: Contributions to IAHC are not deductible as charitable contributions for federal income tax purposes. However, 88% of your dues payment is deductible as an ordinary and necessary business expense. The Omnibus Reconciliation Act of 1993 provided that a taxpayer would no longer be able to deduct lobbying expenses. For IAHC members, this means that the portion of dues directed to lobbying expenses is not deductible by the member/taxpayer. For 2025, we estimate this to be 12% of your dues payment.

Step Four: Sign and Submit Application

Signature Required

By this signature, I verify that the information provided on this application form is, to the best of my knowledge, correct. I understand that the membership benefits that we receive are only to be used by the company/provider listed in Step One and its employees. Furthermore, I understand that these benefits may not be transferred to another licensed agency or business, which does not hold membership in this association. Any misuse of membership rights and benefits may result in the termination of our membership. I am aware that information on contacting my company will be available for viewing by the public on the IAHC website.

FCC Communication Consent: I understand that by providing my mailing address, email address, telephone number, and fax number, I consent to receive communications via regular mail, email, telephone and/or fax sent by or on behalf of Indiana Association for Home & Hospice Care (IAHC).
